The Commission will inform the staff member in writing not later than the end of the ninth month of the final year of service whether or not it intends to offer him/her a further contract. If a staff member is promoted to a different post within the Secretariat his/her first contract in that post will be regarded as an initial contract for the purposes of this Article and Article 15.
2. The first six months of the initial contract will be a probationary period during which the contract can be terminated in writing either by the Commission or by the member of the staff. During the first month of the probationary period the contract can be terminated without notice by either party. Such a contract will be for a fixed period of time and may not exceed three years.

3. If an A grade staff member who has signed one of the contracts referred to in 15.2 above wishes to resign, he/she may do so by giving three months' notice in writing. If the Commission wishes, for other than disciplinary reasons, to terminate one of the contracts referred to in 15.2 above they may do so by giving six months' notice in writing.

If the Commission wishes, for other than disciplinary reasons, to terminate one of the contracts of indefinite duration referred to in 15.4 above, it may do so by giving three months' notice in writing. In the case of contracts for a fixed period of time referred to in 15.4 above, conditions for termination will be stipulated therein and will conform, as closely as possible, to those laid down in this paragraph for contracts of indefinite duration.
6. If the exigencies of the service so require, the periods of notice specified in paragraphs 15.3 and 15.5 above may be reduced, in which case the staff member concerned will be entitled to compensation calculated on the basis of salary and allowances which he/she would have received had the date of termination been at the end of the notice period.

7. Salaries and continuing allowances shall be paid monthly, in arrears, normally on the third last working day of the month.

Your entitlement to public/bank holidays is shown in your individual Statement of Main Terms of Employment.

Sickness/Injury Payments and Conditions

Refer to Articles 21-23 of the Staff Regulations

A) NOTIFICATION OF INCAPACITY FOR WORK

- 1) You must notify the Executive Secretary by telephone on the first day of incapacity at the earliest possible opportunity and by no later than 9.00 am. Text messages are an acceptable method of notification. Other than in exceptional circumstances notification should be made personally, to the Executive Secretary.
- 2) You should try to give some indication of your expected return date and notify the Executive Secretary as soon as possible if this date changes. The notification procedures should be followed on each day of absence unless you are covered by a medical certificate.
- 3) If your incapacity extends to more than seven calendar days you are required to notify us of your continued incapacity once a week thereafter, unless otherwise agreed.

B) EVIDENCE OF INCAPACITY

- 1) Medical certificates are not issued for short-term incapacity. In these cases of incapacity (up to and including seven calendar days) you must sign a self-certification absence form on your return to work.
- 2) If your sickness has been (or you know that it will be) for longer than seven days (whether or not they are working days) you should see your doctor and make sure he/she gives you a medical certificate and forward this to us without delay. Subsequently you must supply consecutive medical certificates to cover the whole of your absence.

C) PAYMENTS

- 1) Refer to Article 21 of the Staff Regulations for contractual sickness/injury payments.
- 2) Any days of contractual sickness/injury payments which qualify for Statutory Sick Pay (SSP) will be offset against SSP on a day-to-day basis. A deduction will be made for any other state benefits received if you are excluded or transferred from SSP.
- 3) Qualifying days are the only days for which you are entitled to SSP. These days are normally your working days unless otherwise notified to you. The first three qualifying days of absence are waiting days for which SSP is not payable. Where a second or subsequent period of incapacity (of four days or more) occurs within 56 days of a previous period of incapacity, waiting days are not served again.
- 4) Where the circumstances of your incapacity are such that you receive or are awarded any sum by way of compensation or damages in respect of the incapacity from a third party, then any payments which we may have made to you because of the absence (including SSP) shall be repaid by you to the Secretariat up to an amount not exceeding the amount of the compensation or damages paid by the third party and up to, but not exceeding, any amount paid by us.

D) RETURN TO WORK

- 1) You should notify the Executive Secretary as soon as you know on which day you will be returning to work,

if this differs from a date of return previously notified.

- 4) Upon returning to work after any period of sickness/injury absence, you may be required to attend a “return to work” interview to discuss the state of your health and fitness for work. Information arising from such an interview will be treated with strictest confidence.

E) GENERAL

- 1) Submission of a medical certificate or sickness self-certification absence form, although giving us the reason for your absence may not always be regarded by us as sufficient justification for accepting your absence. Sickness is just one of a number of reasons for absence and although it is understandable that if you are sick you may need time off, continual or repeated absence through sickness may not be acceptable to us.
- 2) In deciding whether your absence is acceptable or not we will take into account the reasons and extent of all your absences, including any absence caused by sickness/injury. We cannot operate with an excessive level of absence as all absence, for whatever reason, reduces our efficiency.
- 3) We will take a serious view if you take sickness/injury leave which is not genuine, and it will result in disciplinary action being taken.
- 4) If we consider it necessary, we may ask your permission to contact your doctor and/or for you to be independently medically examined.

- 3) The following rules apply:
 - a) Staff are expected to work the core hours of 10:00 to 15:00 except for staff working part time. For these staff, hours will be agreed with the Executive Secretary.

 - ii) Positive balances should be managed according to the following principles:
 - positive balances should not exceed 15 hours at any time;

 - iii) Pro-rata figures will be worked out for staff working part time.
- 4) A maximum of 10 full days of flexi-leave can be taken in each calendar year with a maximum of 1 full day of flexi-leave per calendar month. established themselves as an important communications facility within the organisation and have provided us with contact with professional and academic sources throughout the world. Therefore, to ensure that we are able to utilise the system to its optimum we have devised a policy that provides maximum use of the facility whilst ensuring compliance with the legislation throughout.

2) Internet

Where appropriate, duly authorised staff are encouraged to make use of the Internet as part of their official and professional activities. Attention must be paid to ensuring that published information has relevance to normal professional activities before material is released in the organisation's name. Where personal views are expressed a disclaimer stating that this is the case should be clearly added to all correspondence. The intellectual property right and copyright must not be compromised when publishing on the Internet. The availability and variety of information on the Internet has meant that it can be used to obtain material reasonably considered to be offensive. The use of the Internet to access and/or distribute any kind of offensive material, or material that is not work-related, leaves an individual liable to disciplinary action which could lead to dismissal.

3) Procedures – Acceptable/Unacceptable Use

- a) unauthorised or inappropriate use of the internet system may result in disciplinary action which could result in summary dismissal.
- b) the internet system is available for legitimate organisation use and matters concerned directly with the job being done. Employees using the internet system should give particular attention to the following points:
 - i) comply with all of our internet standards;
 - ii) access during working hours should be for organisation use only;

You are reminded that such activities (iii. and iv.) may constitute a criminal offence.

4) E-mail

The use of the e-mail system is encouraged as its appropriate use facilitates efficiency. Used correctly it is a facility

that is of assistance to employees. Inappropriate use however causes many problems including distractions, time wasting and legal claims. The procedure sets out the organisation's position on the correct use of the e-mail system.

5) Procedures - Authorised Use

- a) unauthorised or inappropriate use of the e-mail system may result in disciplinary action which could include summary dismissal.

Information acquired through such

monitoring may be used as evidence in disciplinary proceedings. Monitoring your usage will mean processing your personal data. You may read more about the data we hold on you, why we hold it and the lawful basis that applies in the Privacy Notice for Employees.

H) SOCIAL NETWORKING SITES

- 1) Social media can be a very powerful tool and as an Organisation, we want to embrace its use. We use social media to make people aware of relevant information. Only authorised employees can use the Organisation's social networking account.

The Organisation reserves the right to deduct the appropriate sums from your pay in the event that repayments are not made. The Organisation reserves the right to monitor all

Anti-Bribery Policy

A) INTRODUCTION

Bribery is a criminal offence. We require compliance, from everyone connected with our organisation, with the highest ethical standards and anti-bribery laws applicable. Integrity and transparency are of utmost importance to us and we have a zero-tolerance attitude towards corrupt activities of any kind, whether committed by employees or by third parties acting for or on behalf of the organisation.

B) POLICY

It is prohibited, directly or indirectly, for any employee or person working on our behalf to offer, give, request or accept any bribe i.e. gift, loan, payment, reward or advantage, either in cash or any other form of inducement, to or from any person or organisation in order to gain commercial, contractual or regulatory advantage for the Organisation, or in order to gain any personal advantage for an individual or anyone connected with the individual in a way that is unethical.

C) SUSPICION

If we suspect that you have committed an act of bribery or attempted bribery, an investigation will be carried out and, in line with our disciplinary procedure where appropriate, action may be taken against you which may result in your dismissal, or the cessation of our organisation's arrangement with you.

D) REPORTING

- 1) If you, as an employee or person working on our behalf, suspect that an act of bribery or attempted bribery has taken place, even if you are not personally involved, you are expected to report this to the Executive Secretary. You may be asked to give a written account of events.
- 2) Staff are reminded of the organisation's Whistleblowing Policy which is available in this Employee Handbook.

E) GIFTS AND HOSPITALITY

- 1) We realise that the giving and receiving of gifts and hospitality as a reflection of friendship or appreciation where nothing is expected in return may occur, or even be commonplace, in our industry. This does not constitute bribery where it is proportionate.
- 2) No gift should be given nor hospitality in excess of £20, offered by an employee or anyone working on our behalf to any party in connection with our organisation without receiving prior written approval from the Executive Secretary.
- 3) Similarly, no gift or offer of hospitality should be accepted by an employee or anyone working on our behalf without receiving prior written approval from the Executive Secretary.

F) RECORD KEEPING

- 1) A record will be made by the Executive Secretary of every instance in which gifts or hospitality are given or received.
- 2) As the law is constantly changing, this policy is subject to review and the Organisation reserves the right to amend this policy without prior notice.

Whistle-blowers

Refer to Article 5 of the Staff Regulations.

A) INTRODUCTION

Under certain circumstances, employees are protected from suffering any detriment or termination of employment if they make disclosures about organisations for whom they work.

B) QUALIFYING DISCLOSURES

- 1) Certain disclosures are prescribed by law as “qualifying disclosures”. A “qualifying disclosure” means a disclosure of information that the employee genuinely and reasonably believes is in the public interest and shows that the Organisation has committed a “relevant failure” by:
 - a) committing a criminal offence;
 - b) failing to comply with a legal obligation;
 - c) a miscarriage of justice;
 - d) endangering the health and safety of an individual;
 - e) environmental damage; or
 - f) concealing any information relating to the above.
- 2) These acts can be in the past, present or future, so that, for example, a disclosure qualifies if it relates to environmental damage that has happened, is happening, or is likely to happen. The Organisation will take any concerns that you may raise relating to the above matters very seriously.
- 3) The Employment Rights Act 1996 provides protection for workers who ‘blow the whistle’ where they reasonably believe that some form of illegality, injustice or breach of health and safety has occurred or is likely to occur. The disclosure has to be “in the public interest”. We encourage you to use the procedure to raise any such concerns.

C) THE PROCEDURE

- 1) In the first instance you should report any concerns you may have to the Executive Secretary who will treat the matter with complete confidence. If you are not satisfied with the explanation or reason given to you, you should raise the matter with the Chairman.
- 2) If you do not report your concerns to the Executive Secretary you should take them direct to the Chairman.

D) TREATMENT BY OTHERS

Bullying, harassment or any other detrimental treatment afforded to a colleague who has made a qualifying disclosure is unacceptable. Anyone found to have acted in such a manner will be subject to disciplinary action.

Capability Procedures

A) INTRODUCTION

We recognise that during your employment with us your capability to carry out your duties may deteriorate. This can be for a number of reasons, the most common ones being that either the job changes over a period of time and you fail to keep pace with the changes, or you change (most commonly because of health reasons) and you can no longer cope with the work.

B) JOB CHANGES/GENERAL CAPABILITY ISSUES

- 1) If the nature of your job changes or if we have general concerns about your ability to perform your job, we will try to ensure that you understand the level of performance expected of you and that you receive adequate training and supervision. Concerns regarding your capability will normally first be discussed in an informal manner and you will be given time to improve.
- 2) If your standard of performance is still not adequate you will be warned in writing that a failure to improve and to maintain the performance required could lead to your dismissal. We will also consider the possibility of a transfer to more suitable work if possible.
- 3) If there is still no improvement after a reasonable time and we cannot transfer you to more suitable work, or if your level of performance has a serious or substantial effect on our organisation or reputation, you will be issued with a final warning that you will be dismissed unless the required standard of performance is achieved and maintained.
- 4) If such improvement is not forthcoming after a reasonable period of time, you will be dismissed with the appropriate notice.

C) PERSONAL CIRCUMSTANCES/HEALTH ISSUES

- 1) Personal circumstances may arise which do not prevent you from attending for work, but which prevent you from carrying out your normal duties (e.g. a lack of dexterity or general ill health). If such a situation arises, we will normally need to have details of your medical diagnosis and prognosis so that we have the benefit of expert advice. Under normal circumstances, this can be most easily obtained by asking your own doctor for a medical report. Your permission is needed before we can obtain such a report and we will expect you to co-operate in this matter should the need arise. When we have obtained as much information as possible regarding your condition and after consultation with you, a decision will be made about your future employment with us in your current role or, where circumstances permit, in a more suitable role.
- 2) There may also be personal circumstances which prevent you from attending work, either for a prolonged period(s) or for frequent short absences. Under these circumstances we will need to know when we can expect your attendance record to reach an acceptable level. This may again mean asking your own doctor for a medical report or by making whatever investigations are appropriate in the circumstances. When we have obtained as much information as possible regarding your condition, and after consultation with you, a decision will be made about your future employment with us in your current role or, where circumstances permit, in a more suitable role.

D) SHORT SERVICE STAFF

We retain discretion in respect of the capability procedures to take account of your length of service and to vary the procedures accordingly. If you have a short amount of service, you may not be in receipt of any warnings before dismissal.

Disciplinary Procedures

Refer to Article 49 of the Staff Regulations.

A) INTRODUCTION

- 1) It is necessary to have a minimum number of rules in the interests of the whole organisation.
- 2) The rules set standards of performance and behaviour whilst the procedures are designed to help promote fairness and order in the treatment of individuals. It is our aim that the rules and procedures should emphasise and encourage improvement in the conduct of individuals, where they are failing to meet the required standards, and not be seen merely as a means of punishment. We reserve the right to amend these rules and procedures where appropriate.
- 3) Every effort will be made to ensure that any action taken under this procedure is fair, with you being given the opportunity to state your case and appeal against any decision that you consider to be unjust.
- 4) The following rules and procedures should ensure that:
 - a) the correct procedure is used when requiring you to attend a disciplinary hearing;
 - b) you are fully aware of the standards of performance, action and behaviour required of you;
 - c) disciplinary action, where necessary, is taken speedily and in a fair, uniform and consistent manner;
 - d) you will only be disciplined after careful investigation of the facts and the opportunity to present your side of the case. On some occasions temporary suspension on contractual pay may be necessary in order that an uninterrupted investigation can take place. This must not be regarded as disciplinary action or a penalty of any kind;
 - e) other than for an "off the record" informal reprimand, you have the right to be accompanied by a fellow employee at all stages of the formal disciplinary process;
 - f) you will not normally be dismissed for a first breach of discipline, except in the case of gross misconduct; and
 - g) if you are disciplined, you will receive an explanation of the penalty imposed and you will have the right to appeal against the finding and the penalty.

B) DISCIPLINARY RULES

It is not practicable to specify all disciplinary rules or offences that may result in disciplinary action, as they may vary depending on the nature of the work. In addition to the specific examples of unsatisfactory conduct, misconduct and gross misconduct shown in this handbook, a breach of other specific conditions, procedures, rules etc. that are contained within this handbook or that have otherwise been made known to you, will also result in this procedure being used to deal with such matters.

C) RULES COVERING UNSATISFACTORY CONDUCT AND MISCONDUCT

(These are examples only and not an exhaustive list.)

You will be liable to disciplinary action if you are found to have acted in any of the following ways:

- a) failure to abide by the general health and safety rules and procedures;
- b) smoking in designated non-smoking areas;
- c) breach of our Alcohol and Drugs Policy;
- d) persistent absenteeism and/or lateness;
- e) unsatisfactory standards or output of work;
- f) unauthorised use of e-mail and internet;
- g) rudeness towards clients, members of the public or other employees, objectionable or insulting behaviour, harassment, bullying or bad language;
- h) failure to devote the whole of your time, attention and abilities to our organisation and its affairs during your normal working hours;
- i) failure to carry out all reasonable instructions or follow our rules and procedures;
- j) unauthorised use or negligent damage or loss of our property; and
- k) failure to report immediately any damage to property or premises caused by you.

D) SERIOUS MISCONDUCT

- 1) Where one of the unsatisfactory conduct or misconduct rules has been broken and if, upon investigation, it is shown to be due to your extreme carelessness or has a serious or substantial effect upon our operation or reputation, you may be issued with a final written warning in the first instance.
- 2) You may receive a final written warning as the first course of action, if, in an alleged gross misconduct disciplinary matter, upon investigation, there is shown to be some level of mitigation resulting in it being treated as an offence just short of dismissal.

E) RULES COVERING GROSS MISCONDUCT

Occurrences of gross misconduct are very rare because the penalty is dismissal without notice and without any previous warning being issued. It is not possible to provide an exhaustive list of examples of gross misconduct. However, any behaviour or negligence resulting in a fundamental breach of contractual terms that irrevocably destroys the trust and confidence necessary to continue the employment relationship will constitute gross misconduct. Examples of offences that will normally be deemed as gross misconduct include serious instances of:

- a) theft or fraud;
- b) physical violence or bullying;

- c) deliberate damage to property;
- d) deliberate acts of unlawful discrimination or harassment;
- e) possession, or being under the influence, of drugs* at work; and

*For this purpose, the term ‘drugs’ is used to describe both illegal drugs and other psychoactive (mind-altering) substances which may or may not be illegal.

- f) breach of health and safety rules that endangers the lives of, or may cause serious injury to, employees or any other person.

(The above examples are illustrative and do not form an exhaustive list.)

F) DISCIPLINARY PROCEDURE

- 1) Refer to Article 50 of the Staff Regulations.
- 2) Disciplinary action taken against you will be based on the following procedure:

OFFENCE	FIRST OCCASION	SECOND OCCASION	THIRD OCCASION	FOURTH OCCASION
Unsatisfactory Conduct	Formal verbal warning	Written Warning	Final written warning	Dismissal
Misconduct	Written Warning	Final written Warning	Dismissal	
Serious misconduct	Final written warning	Dismissal		
Gross misconduct	Dismissal			

- 3) We retain discretion in respect of the disciplinary procedures to take account of your length of service and to vary the procedures accordingly. If you have a short amount of service you may not be in receipt of any warnings before dismissal.
- 4) If a disciplinary penalty is imposed it will be in line with the procedure outlined above, which may encompass a formal verbal warning, written warning, final written warning, or dismissal, and full details will be given to you.
- 5) In all cases warnings will be issued for misconduct, irrespective of the precise matters concerned, and any further breach of the rules in relation to similar or entirely independent matters of misconduct will be treated as further disciplinary matters and allow the continuation of the disciplinary process through to dismissal if the warnings are not heeded.

G) DISCIPLINARY AUTHORITY

The operation of the disciplinary procedure contained in the previous section, is based on the following authority for the various levels of disciplinary action. However, the list does not prevent a higher level of seniority

progressing any action at whatever stage of the disciplinary process.

PERSON AUTHORISED TO TAKE DISCIPLINARY ACTION IN THE CASE OF:		
	A GRADE EMPLOYEES	B GRADE EMPLOYEES
Formal verbal warning	Chairman	Executive Secretary
Written warning	Chairman	Executive Secretary
Final written warning	Chairman	Executive Secretary
Dismissal	Chairman	Executive Secretary

H) PERIOD OF WARNINGS

1) Formal verbal warning

A formal verbal warning will normally be disregarded for disciplinary purposes after a three-month period.

2) Written warning

A written warning will normally be disregarded for disciplinary purposes after a six-month period.

3) Final written warning

A final written warning will normally be disregarded for disciplinary purposes after a twelve-month period.

I) NOTES

- 1) If you are in a supervisory or Managerial position then demotion to a lower status at the appropriate rate may be considered as an alternative to dismissal except in cases of gross misconduct.
- 2) In exceptional circumstances, suspension from work without pay for up to five days as an alternative to dismissal (except dismissal for gross misconduct) may be considered by the person authorised to dismiss.
- 3) Gross misconduct offences will result in dismissal without notice.
- 4) You have the right to appeal against any disciplinary action.

Capability/Disciplinary Appeal Procedure

- 1) Refer to Article 51 of the Staff Regulations.
- 2) You have the right to lodge an appeal in respect of any capability/disciplinary action taken against you.
- 3) If you wish to exercise this right you should apply either verbally or in writing to the person indicated in your individual Statement of Main Terms of Employment.
- 4) It may be necessary, because of the size of our organisation, for the appeal to be heard by the person who took the original action and it is therefore important that your appeal gives details of why the penalty imposed is either too severe, inappropriate or unfair in the circumstances.
- 5) If you are appealing on the grounds that you have not committed the offence, it may be necessary for the person conducting the appeal to have a complete re-hearing so that there can be a reappraisal of all matters before a decision is made to grant or refuse the appeal.
- 6) You may be accompanied at the appeal hearing by a fellow employee of your choice and the result of the appeal will be made known to you in writing, normally within five working days after the hearing. This is the final stage of the appeal process.

Grievance Procedure

- 1) It is important that if you feel dissatisfied with any matter relating to your employment you should have an effective means by which such a grievance can be aired and, where appropriate, resolved.
- 2) Nothing in this procedure is intended to prevent you from informally raising any matter you may wish to mention. Informal discussion can frequently solve problems without the need for a written record. However, if you wish to raise a formal grievance you should normally do so in writing from the outset.
- 3) You have the right to be accompanied at any stage of the procedure by a fellow employee who may act as a witness or speak on your behalf to explain the situation more clearly.
- 4) If you feel aggrieved at any matter relating to your work (except personal harassment, for which there is a separate procedure following this section), you should first raise the matter with the person specified in your Statement of Main Terms of Employment, explaining fully the nature and extent of your grievance. You will then be invited to a meeting at a reasonable time and location at which your grievance will be investigated fully. You must take all reasonable steps to attend this meeting. You will be notified of the decision, in writing, normally within ten working days of the meeting, including your right of appeal.
- 5) If you wish to appeal you must inform the Executive Secretary within ten working days. You will then be invited to a further meeting, which you must take all reasonable steps to attend. The Secretariat will be represented by the Executive Secretary (unless he/she attended the first meeting in which case the Chair will represent the Secretariat).
- 6) Following the appeal meeting you will be informed of the final decision, normally within ten working days, which will be confirmed in writing.

Personal Harassment Policy and Procedure

A) INTRODUCTION

- 1) Harassment or victimisation on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation is unacceptable.
- 2) Personal harassment takes many forms ranging from tasteless jokes and abusive remarks to pestering for sexual favours, threatening behaviour and actual physical abuse. Whatever form it takes, personal harassment is always taken seriously and is totally unacceptable.
- 3) We recognise that personal harassment can exist in the workplace, as well as outside, and that this can seriously affect employees' working lives by interfering with their job performance or by creating a stressful, intimidating and unpleasant working environment.

B) POLICY

- 1) We deplore all forms of personal harassment and seek to ensure that the working environment is sympathetic to all our employees.
- 2) We have published these procedures to inform employees of the type of behaviour that is unacceptable and provide employees who are the victims of personal harassment with a means of redress.
- 3) We recognise that we have a duty to implement this policy and all employees are expected to comply with it.

C) EXAMPLES OF PERSONAL HARASSMENT

Personal harassment takes many forms and employees may not always realise that their behaviour constitutes harassment. Personal harassment is unwanted behaviour by one employee towards another and examples of harassment include:

- a) insensitive jokes and pranks;
- b) lewd or abusive comments about appearance;
- c) deliberate exclusion from conversations;
- d) displaying abusive or offensive writing or material;
- e) unwelcome touching; and
- f) abusive, threatening or insulting words or behaviour.

These examples are not exhaustive and disciplinary action at the appropriate level will be taken against employees committing any form of personal harassment.

D) COMPLAINING ABOUT PERSONAL HARASSMENT

1) Informal complaint

We recognise that complaints of personal harassment, and particularly of sexual harassment, can sometimes be of a sensitive or intimate nature and that it may not be appropriate for you to raise the issue through our normal

grievance procedure. In these circumstances you are encouraged to raise such issues with a colleague of your choice (whether or not that person has a direct supervisory responsibility for you) as a confidential helper. This person cannot be the Executive Secretary who will be responsible for investigating the matter if it becomes a formal complaint.

If you are the victim of minor harassment you should make it clear to the harasser on an informal basis that their behaviour is unwelcome and ask the harasser to stop. If you feel unable to do this verbally then you should hand a written request to the harasser, and your confidential helper can assist you in this.

2) Formal complaint

Where the informal approach fails or if the harassment is more serious, you should bring the matter to the attention of the Executive Secretary as a formal written complaint and again your confidential helper can assist you in this. If possible, you should keep notes of the harassment so that the written complaint can include:

- a) the name of the alleged harasser;
- b) the nature of the alleged harassment;
- c) the dates and times when the alleged harassment occurred;
- d) the names of any witnesses; and
- e) any action already taken by you to stop the alleged harassment.

On receipt of a formal complaint we will take action to separate you from the alleged harasser to enable an uninterrupted investigation to take place. This may involve a temporary transfer of the alleged harasser to another work area or suspension with contractual pay until the matter has been resolved.

The person dealing with the complaint will invite you to attend a meeting, at a reasonable time and location, to discuss the matter and carry out a thorough investigation. You have the right to be accompanied at such a meeting by your confidential helper or another work colleague of your choice and you must take all reasonable steps to attend. Those involved in the investigation will be expected to act in confidence and any breach of confidence will be a disciplinary matter.

On conclusion of the investigation, which will normally be within ten working days of the meeting with you, the decision of the investigator, detailing the findings, will be sent in writing to you.

You have the right to appeal against the findings of the investigator in accordance with the appeal provisions of the grievance procedure.

E) GENERAL NOTES

- 1) If the decision is that the allegation is well founded, the harasser will be liable to disciplinary action in accordance with our disciplinary procedure. An employee who receives a formal warning or who is dismissed for harassment may appeal by using our capability/disciplinary appeal procedure.
- 2) If you bring a complaint of harassment you will not be victimised for having brought the complaint.
- 3) However, if it is concluded that the complaint is both untrue and has been brought with malicious intent, disciplinary action will be taken against you.

Equality, Inclusion and Diversity Policy

A) STATEMENT OF POLICY

- 1) The terms equality, inclusion and diversity are at the heart of this policy. 'Equality' means ensuring everyone has the same opportunities to fulfil their potential free from discrimination. 'Inclusion' means ensuring everyone feels comfortable to be themselves at work and feels the worth of their contribution. 'Diversity' means the celebration of individual differences amongst the workforce. We will actively support diversity and inclusion and ensure that all our employees are valued and treated with dignity and respect. We want to encourage everyone in our organisation to reach their potential.
- 2) We recognise that discrimination is unacceptable and although equality of opportunity has been a long-standing feature of our employment practices and procedure, we have made the decision to adopt a formal policy. Breaches of the policy will lead to disciplinary proceedings and, if appropriate, disciplinary action up to and including dismissal.
- 3) Without prejudice to Article 12 of the Staff Regulations, the aim of the policy is to ensure no job applicant, employee or worker is discriminated against either directly or indirectly on the grounds of culture, nationality, age, disability, gender reassignment, marriage and civil partnership, pregnancy or parenthood, race, religion or belief, sex or sexual orientation.
- 4) We will ensure that the policy is circulated to any agencies responsible for our recruitment and a copy of the policy will be made available for all employees and made known to all applicants for employment.
- 5) The policy will be communicated to all private contractors reminding them of their responsibilities towards the equality of opportunity.
- 6) The policy will be implemented in accordance with the appropriate statutory requirements and full account will be taken of all available guidance and in particular any relevant Codes of Practice.
- 7) We will maintain a neutral working environment in which no employee or worker feels under threat or intimidated.

B) RECRUITMENT AND SELECTION

- 1) The recruitment and selection process is crucially important to any equality, inclusion and diversity policy. We will endeavour through appropriate training to ensure that employees making selection and recruitment decisions will not discriminate, whether consciously or unconsciously, in making these decisions.
- 2) Promotion and advancement will be made on merit and all decisions relating to this will be made within the overall framework and principles of this policy.
- 3) Job descriptions, where used, will be revised to ensure that they are in line with this policy. Job requirements will be reflected accurately in any personnel specifications.
- 4) We will adopt a consistent, non-discriminatory approach to the advertising of vacancies.
- 5) We will not confine our recruitment to areas or media sources which provide only, or mainly, applicants of a particular group.
- 6) All applicants who apply for jobs with us will receive fair treatment and will be considered solely on their ability to do the job.

- 7) All employees involved in the recruitment process will periodically review their selection criteria to ensure that they are related to the job requirements and do not unlawfully discriminate.
- 8) Short listing and interviewing will be carried out by more than one person where possible.
- 9) Interview questions will be related to the requirements of the job and will not be of a discriminatory nature.
- 10) We will not disqualify any applicant because he/she is unable to complete an application form unassisted unless personal completion of the form is a valid test of the standard of English required for the safe and effective performance of the job.
- 11) Selection decisions will not be influenced by any perceived prejudices of other staff.

C) TRAINING AND PROMOTION

- 1) Staff will receive training in the application of this policy to ensure that they are aware of its contents and provisions.
- 2) All promotion will be in line with this policy.

D) MONITORING

- 1) Refer to Article 12 of the Staff Regulations.
- 2) We will maintain and review the employment records of all employees in order to monitor the progress of this policy.
- 3) Monitoring may involve:
 - a) the collection and classification of information regarding the race in terms of ethnic/national origin and sex of all applicants and current employees;
 - b) the examination by ethnic/national origin and sex of the distribution of employees and the success rate of the applicants; and
 - c) recording recruitment, training and promotional records of all employees, the decisions reached and the reason for those decisions.
- 4) The results of any monitoring procedure will be reviewed at regular intervals to assess the effectiveness of the implementation of this policy. Consideration will be given, if necessary, to adjusting this policy to afford greater equality of opportunities to all applicants and staff.

Termination of Employment

A) RESIGNATIONS

All resignations must be supplied in writing, stating the reason for resigning your post.

B) RETURN OF OUR PROPERTY

On the termination of your employment you must return all our property which is in your possession or for which you have responsibility. Failure to return such items will result in the cost of the items being deducted from any monies outstanding to you. This is an express written term of your contract of employment.

C) GARDEN LEAVE

If either you or the Organisation serves notice on the other to terminate your employment, the Organisation may require you to take “garden leave” for all or part of the remaining period of your employment.

NB. During any period of garden leave you will continue to receive your full salary and any other contractual benefits.

Annex 5 – Bullying and Harassment Policy

- 1) All members of staff, including the Executive Secretary, are entitled to be treated with dignity and respect in their place of work. This means freedom from behaviour by colleagues that can be interpreted as bullying or harassment or that causes offense, and access to redress if such behaviour does arise. It also means standards of everyday behaviour that contribute to a working environment in which mutual respect and individual dignity are maintained.
- 2) Personal harassment takes many forms but whatever form it takes, it is unlawful under the legislation of the host country (e.g. Equality Act 2010 in the United Kingdom).
- 3) Personal harassment will not be tolerated.

 - i) of a sexual nature
 - ii) related to sex, or
 - iii) related to gender reassignment
- b) the unwanted conduct has the purpose or effect of:
 - i) violating their dignity, or
 - ii) creating an intimidating, hostile, degrading, humiliating or offensive environment for them, and
- c) they are treated less favourably because they submitted to or rejected the unwanted conduct.

D. DETRIMENTAL BEHAVIOUR BECAUSE OF AN ASSOCIATION WITH A PROTECTED CHARACTERISTIC

Bullying and harassment may not be based on the fact that a colleague belongs to a particular group, but simply because the individual has been singled out for such treatment or associates with someone of a protected characteristic. The bullying and harassment may take the following forms, though again this is not intended as an exhaustive list:

- Limiting or withdrawing verbal communication.
- Isolating a colleague by unfriendly behaviour.
- Behaviour designed to belittle or produce anxiety in a colleague.

- Unreasonable scrutiny of work.
- Unreasonable criticism of work and adopting double standards in expectations of work performance.
- Unreasonable denial of leave and/or special leave requests.
- Unreasonable denial of requests for flexible working.
- Work or staff social activities that deliberately exclude a colleague.
- Jokes or inappropriate humour at the expense of a colleague.

E. STANDARDS OF WORK BEHAVIOUR

- Courtesy towards colleagues.
- Consideration and understanding of the work demands of colleagues.
- Maintaining a temperate language in all verbal and written communication with colleagues.
- Avoidance of the use of foul language.
- Awareness of language and conduct which have the potential to offend a colleague.
- Obtaining the express or implied permission of a colleague before adopting familiarity in conduct or language.

F. CIRCUMSTANCES WHICH ARE COVERED

- 1) This policy covers behaviour which occurs in the following situations:
 - a) a work situation;
 - b) a situation occurring outside of the normal workplace or normal working hours which is related to work, for example, a working lunch or social event with colleagues;
 - c) outside of a work situation but against a colleague or other person connected to the organisation, including on social media;
 - d) against anyone outside of a work situation where the incident is relevant to their suitability to carry out the role.

G. WHAT TO DO IF YOU OR A COLLEAGUE IS SUBJECT TO BULLYING OR HARASSMENT

The OSPAR Commission is committed to ensuring that there is no harassment or bullying in the workplace. Allegations of harassment will be treated as a disciplinary matter, although every situation will be considered on an individual basis and in accordance with the principles of the grievance and disciplinary procedures, a copy of which is available from the Staff Regulations.

We are all entitled to work in a safe and healthy environment, free from bullying, harassment and all type of discrimination.

1) Informal complaint

We recognise that complaints of personal harassment, and particularly of sexual harassment, can be of a sensitive or intimate nature and that it may not be appropriate for you to raise the issue through our normal grievance procedure.

In these circumstances you are encouraged to keep a written record or diary of all bullying incidents, including past incidents – no matter how small they appear, to raise such issues with a senior colleague e.g a Deputy Secretary, of your choice as a confidential helper.

This person cannot be the same person who will be responsible for investigating the matter if it becomes a formal complaint, i.e, the Executive Secretary, except where the Executive Secretary is the alleged harasser.

If you are the victim of harassment you should make it clear to the harasser on an informal basis that their behaviour is unwelcome and ask the harasser to stop. If you feel unable to do this verbally then you should send a written request to the harasser, and your confidential helper can assist you in this.

2) Formal complaint

Where the informal approach fails or you do not feel comfortable raising the issue informally, you should bring the matter to the attention of the Executive Secretary as a formal written complaint, except where the Executive Secretary is the alleged harasser. In such cases, the complaint should be addressed to the Chair of OSPAR. If both the Executive Secretary and the Chair of OSPAR are the alleged harassers, then the matter should be addressed to one of the Vice-Chairs of OSPAR. Under no circumstances will an alleged harasser deal with any complaints against him/her. Your confidential helper can assist you in bringing the matter forward. If possible, you should keep notes of the harassment so that the written complaint can include:

- a) the name of the alleged harasser;
- b) the nature of the alleged harassment;

- c) the dates and times when the alleged harassment occurred;
- d) the names of any witnesses; and
- e) any action already taken by you to stop the alleged harassment.

On receipt of a formal complaint, the person dealing with the complaint will take action to separate you from the alleged harasser to enable an uninterrupted investigation to take place. This may involve asking the alleged harasser to work from home or in most serious cases, suspension for the alleged harasser with contractual pay until the matter has been resolved.

The person dealing with the complaint will invite you to attend a bilateral meeting, at a reasonable time and location, to discuss the matter and carry out a thorough investigation. You have the right to be accompanied at such a meeting by your confidential helper or another work colleague of your choice and you must take all reasonable steps to attend. Those involved in the investigation will be expected to act in confidence and any breach of confidence will be a disciplinary matter. You may also be accompanied by an external legal adviser or trade union representative if you wish.

On conclusion of the investigation, which will normally be within ten working days of the meeting with you, the decision of the investigator, detailing the findings, will be sent in writing to you.

You have the right to appeal against the findings of the investigator in accordance with the appeal provisions of the grievance procedure.

H. DISCIPLINARY ACTION

- 1) If the decision is that the allegation is well founded, the harasser will be liable to disciplinary action in accordance with our disciplinary procedure. An employee who receives a formal warning or who is dismissed for harassment may appeal by using our capability/disciplinary appeal procedure.
- 2) When deciding on the level of disciplinary sanction to be applied, we will take into consideration aggravating factors such as abuse of power over a more junior colleague.
- 3) If you bring a complaint of harassment, you will not be victimised for having brought the complaint. However, if it is concluded that the complaint is both untrue and has been brought with malicious intent, disciplinary action will be taken against you.

I THIRD PARTY HARASSMENT

- 1) Third party harassment occurs when one of our employees is subjected to harassment by someone who is not part of our staff but who is encountered in connection with work. This includes our delegates, suppliers, members of the public. Third party harassment of one of our employees will not be tolerated.
- 2) Please follow the guidance on the OSPAR Code of Conduct if you are harassed by a third party.
