

OSPAR Data Conditions of Use

1. In pursuance of the [OSPAR Commission's data policy](#), the following conditions apply:

Provisions

2. OSPAR data sets retrieved from www.ospar.org may be used for any purpose whatsoever unchanged and in whole, provided:
 - a. OSPAR is identified as the (and as the case may be, partial) source;
 - b. no representation is made of OSPAR having in any way endorsed the purpose of using OSPAR's data set(s) concerned;
 - c. the user¹ complies to the sublicense particulars listed in OSPAR's metadata catalogue for the data set(s) concerned, in cases where this concerns data set(s) that OSPAR avails of under third party licence;
 - d. data set(s) are not to be redistributed, in part or in whole. Where distribution is deemed necessary third parties should be referred to www.ospar.org.

Disclaimer

3. All data sets presented on www.ospar.org have been compiled and presented with the utmost care. However, these may be from time to time (entirely or partially) out of date, incomplete and/or incorrect.
4. The data sets themselves and/or their presentation may change at regular intervals, immediately and without notice. The data sets presented have been generated solely for OSPAR's own purposes and consequently may be less or not fit for use for other purposes. OSPAR's metadata catalogue provides further detailed information in this respect.
5. By accessing www.ospar.org and/or retrieving and/or using presented data sets therein, the user agrees to the following:

OSPAR shall not be liable for any damages whatsoever, direct or indirect, ensuing in whatsoever way from (but not limited to):

- a. defects, viruses or other imperfections in software concerning accessing or using www.ospar.org;
- b. using data sets presented on www.ospar.org;
- c. performance or non-availability of www.ospar.org;
- d. incorrect use of www.ospar.org,
- e. loss of data accessing or downloading from www.ospar.org;
- f. downloading or using software made available on www.ospar.org;
- g. third parties' claims regarding using www.ospar.org

¹ The "user" is any person downloading, or subsequently making use of data made available on www.ospar.org
