CPMR Commissions' engagement in the OSPAR Commission

Among the six geographical commissions of the CPMR, the **North Sea Commission (NSC)** and the **Atlantic Arc Commission (AAC)** are willing to contribute to the work of the OSPAR Commission, due to their **geographical coverage** and the engagement of their member regions **to protect and conserve the marine environment** of the North East Atlantic Ocean.

A word from our Political representatives

CPMR
**ATLANTIC ARC
COMMISSION**

“Atlantic regions can see this Working Group on Ocean Pollution as an opportunity to discuss and establish common action plans, and to foster an even more effective networking”.

António M. Cunha

President of Norte Region

A word from our Political representatives (CPMR North Sea Commission)

CPMR NORTH SEA
COMMISSION

"All actors should do their best to contribute to the efforts identified in OSPAR's action plan for marine litter. Not only recycling and clean-up of oceans and rivers. It is also of fundamental importance that circularity is built into the design of all products."

Kerstin Brunnström

*President of the North Sea Commission
Councillor, Region Västra Götaland*

CPMR key contribution to conserve the marine environment

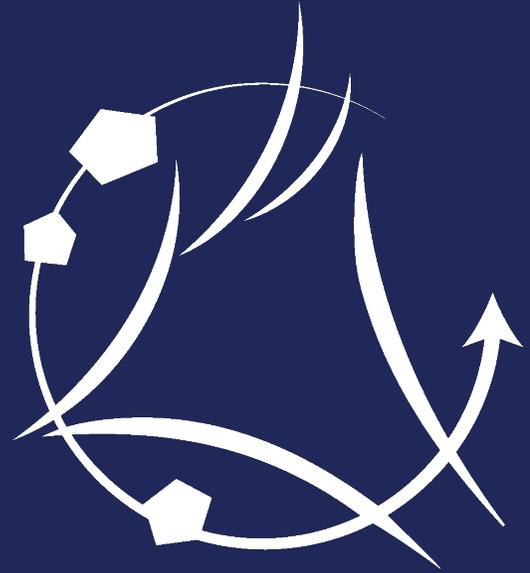

Since 2017, the CPMR Atlantic Arc Commission is engaged in **CleanAtlantic**, an EU project where partners have **monitored, prevented and removed** marine litter from the Atlantic coast. [CleanAtlantic – CleanAtlantic project](#)

CPMR key contribution to conserve the marine environment

The **CPMR North Sea Commission** identified marine litter as a priority issue, and materialized by the **Waste Free Rivers international webinar** in June 2021.
